Workshop on PMEGP

An awareness program was organized on 06.02.2023 at National Skill Training Institute (Women) New Katra, Prayagraj, on Prime Minister Employment Generation Program (PMEGP), run by Khadi and Village Industries Commission.

The event witnessed the participation of the Principal of the institute, Mrs. Prianka Kaul, Director of Divisional Office, Khadi and Village Industries Commission, Varanasi, Mr. Ritesh Kumar Srivastava, District Village Industries Officer of Khadi and Village Industries Board, Prayagraj, Mr. Ram Avtar Yadav, Divisional Office, Khadi and Village Industries Commission It was attended by about 130 people, including Subhash Chandra, Associate Director, Institute faculty and trainees.

The program started with garlanding and lighting the lamp on the portrait of Mahatma Gandhi. The main objective of organizing the program was to provide detailed information about the Prime Minister's Employment Generation Program to the trainees, so that they can set up their own self-employment unit after the training.

Information was also given about all the schemes being run by the District Village Industries Board by the Director of the Divisional Office, Khadi and Village Industries Commission, Varanasi. Giving details of the stories of successful entrepreneurs, everyone was urged to set up more and more units so that unemployed people could become self-reliant.

The principal of the institute expressed her gratitude to the Khadi and Village Industries Commission for organizing the program and motivated the participating trainees to set up enterprises. The vote of thanks was given by Mrs. Neerja Sood.
